Buy Ilgenfritz

Monroe, Mich.

FORTY - NINER

Plant Pat. No. 792

Here is a wonderful Rose creation that should be in every garden. As the most brilliant bicolor yet introduced, it has a color contrast that is startling. The inside of its petals is flaming scarlet, while the outside is straw-yellow. It is always much admired in our display garden.

\$2.00 each.

Plant America!

ILGENFRITZ NURSERIES, Inc.

Growers of Quality
Nursery Stock
Since 1847

The Monroe Nursery
MONROE, MICHIGAN

Branches in:
Detroit and
Toledo

More than a century of success lies behind the faith that home owners and garden lovers have placed in Ilgenfritz nursery stock. More than a century of knowledge and experience take the guesswork out of gardening. When you buy Ilgenfritz nursery stock you'll enjoy a lifetime of the very best.

OUR GUARANTEE

Ilgenfritz Nurseries, Inc., guarantees all nursery stock to be alive, healthy and true to name. Any stock that proves otherwise within 60 days will be replaced free of charge if that stock has been properly planted and cared for.

Stock planted in the fall is guaranteed to live through the winter. Deciduous stock which fails to start in the spring will be replaced free, while fall-planted evergreens will be replaced at half price.

Japanese Upright Yew

UPRIGHT YEW. *Taxus capitata*. This is a beautiful pyramidal Yew of medium height. It is wonderful as a framing plant or as a specimen tree. Bright red berries in fall add to its beauty.

2 to 2½ ft. Balled and Burlapped. **\$16.50 each.**

ILGENFRITZ EVERGREENS

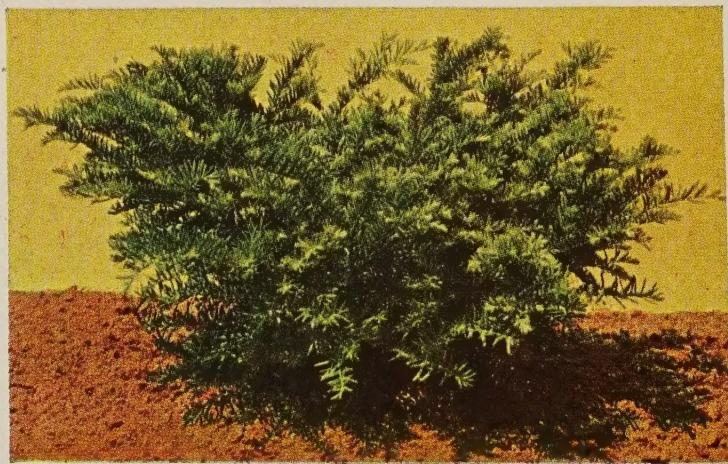

Year-round investment in beauty! Here you have the most attractive landscaping purchase that you can make to give your home permanent distinction and charm. Our huge collection—the largest in Michigan—of beautiful, vigorous trees, gives you a wide choice for foundation plantings and important specimen trees. See them at the home of Ilgenfritz Nurseries, Inc., at Monroe, Michigan, or at our branches in Toledo and Detroit.

JAPANESE YEW. This excellent group of evergreens occupies the place of highest quality as landscape material for the modern home. Their wonderful dark green foliage is attractive throughout the year. Ideally suited for northern homes, they will grow well in full sun or part shade. Shearing and pruning serves to improve these beautiful evergreens so that they can be left in the same location for years. Ilgenfritz Yews, grown in Michigan, have been sheared and transplanted frequently, assuring you full growth and good root development.

JAPANESE SPREADING YEW. *Taxus cuspidata*. Here is the ideal evergreen for under windows or wherever a low spreading evergreen is desired. It can be planted singly or in groups for mass effect.

12 to 15 inch spread. Balled and Burlapped. **\$6.00 each.**
15 to 18 inch spread. Balled and Burlapped. **\$8.50 each.**

Evergreens are Essential to All Landscape Design

Moerheim
Blue
Spruce

Pfitzer
Juniper

PFITZER JUNIPER. Marvelous bluish green spreading evergreen for any spot that requires a low bushy specimen. It is a shrub of tremendous vigor that will grow almost anywhere except in excessive shade.

15 to 18 inch spread. Balled and Burlapped. **\$7.50 each.**

ANDORRA JUNIPER. A beautiful low creeping Juniper that is ideal for under very low windows, for planters and rock gardens. Its gray-green foliage turns purplish red in winter.

12 to 15 inch. Balled and Burlapped. **\$6.00 each.**

15 to 18 inch. Balled and Burlapped. **\$7.50 each.**

KETELEER JUNIPER or KETELEER RED-

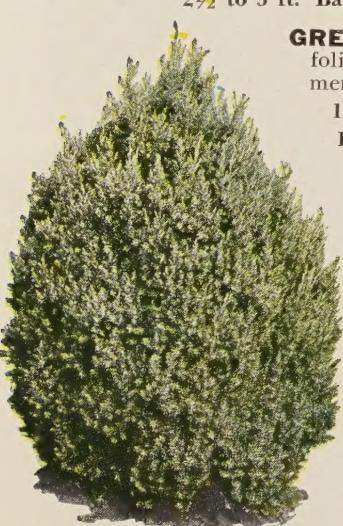

CEDAR. Stately upright growing form of Juniper with feathery green foliage that is much in demand as a landscape item for corner plantings and as an accent plant. Large blue berries in fall add to its beauty.

3 to 4 ft. Balled and Burlapped. **\$14.75 each.**

Hicks
Yew

Upright Yew or
Taxus Capitata

Greek Juniper

HICKS YEW. *Taxus media hicksi.* One of the most beautiful of the Yew family, this variety makes a very full upright growth. It has a rich dark glossy green coloring that is attractive all year. Because of its columnar upright growth, it is splendid for use in a hedge, but it is equally striking as an upright specimen.

2 to 2½ ft. Balled and Burlapped.

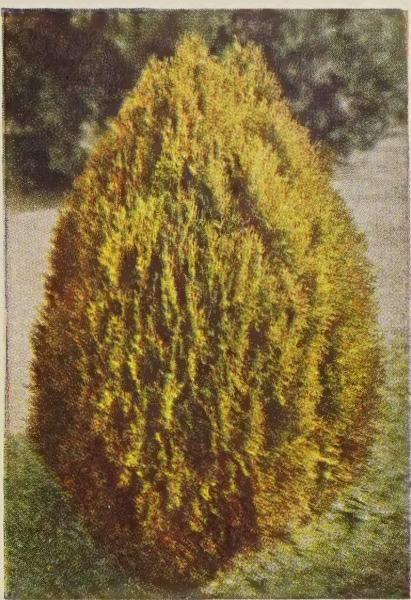

\$15.50 each.

BROWNS YEW. A graceful dwarf compact vase-shaped type. It is particularly useful in landscaping where a beautiful evergreen of intermediate height is needed.

12 to 15 inches. Balled and Burlapped.
\$7.25 each.

Japanese
Spreading Yew

Glorify Your Home with Ilgenfritz Quality Evergreens

Berckmanns Golden
Arborvitae

BERCKMANN'S GOLDEN ARBORVITAE. *Thuya aurea nana.* A dazzling dwarf golden yellow evergreen widely used as an accent shrub. Its golden color creates a striking foliage contrast.

15 to 18 inches. Balled and Burlapped. **\$4.95 each.**

Our huge assortment of varieties and sizes gives you the widest choice of evergreens for landscaping your home.

American Pyramidal
Arborvitae

WARE ARBORVITAE. Its dwarf habit, conical shape, dense blue-green foliage, make this variety a landscape item that is adaptable for many uses. It is broader at the base and shorter of growth than the Pyramidal Arborvitae shown on this page.

1½ to 2 ft. Balled and Burlapped.
\$5.00 each.

AMERICAN PYRAMIDAL ARBORVITAE. Here is the best of the tall columnar evergreens. It is very popular as a framing evergreen, but is just as effective when used for tall evergreen hedging. Its thick foliage has rich green coloring.

3 to 4 ft. Balled and Burlapped.
\$9.50 each.

4 to 5 ft. Balled and Burlapped.
\$12.00 each.

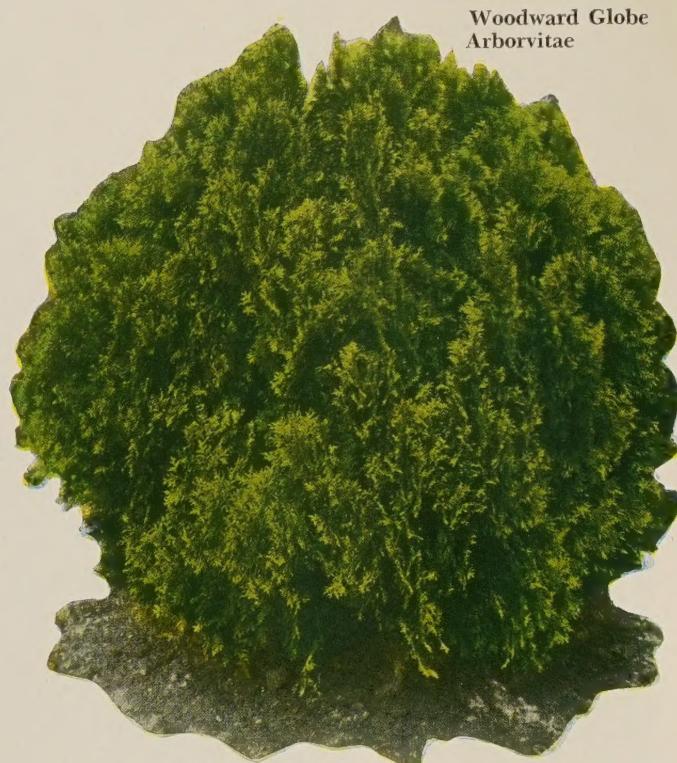

5 to 6 ft. Balled and Burlapped.
\$13.75 each.

AMERICAN ARBORVITAE. Here is a very popular conical shaped evergreen with loosely textured light green foliage. It is highly recommended for corner plantings, or in the garden for screening purposes. It stands shearing and is used for hedging. (Not pictured.)

3 to 4 ft. Balled and Burlapped.
\$9.00 each.

4 to 5 ft. Balled and Burlapped.
\$12.00 each.

Many other varieties and sizes of evergreens may be seen at MONROE, MICHIGAN, or at our branches in DETROIT and TOLEDO. These are northern grown evergreens—their quality is guaranteed.

Woodward Globe
Arborvitae

WOODWARD GLOBE ARBORVITAE. Here is a perfect globe-shaped evergreen that has a dense, compact, light green foliage. Well adapted to Michigan and Ohio soils, it is used widely for low hedging, as a marker in formal plantings, and in foundation plantings.

12 to 15 inches. Balled and Burlapped. **\$3.50 each.**

15 to 18 inches. Balled and Burlapped. **\$5.00 each.**

Here is an entrance planting featuring an American Pyramidal Arborvitae and a Globe Arborvitae.

Ilgenfritz Broad-Leaved Evergreens

Vinca Minor in Bloom

VINCA MINOR, BOWLES PERIWINKLE. Also called "Myrtle," this glossy little evergreen is a marvelous creeper and ground cover. It bears numerous violet-blue flowers in spring that are very showy. It will tolerate considerable shade, making it useful for planting under trees and shrubs where other plants would not thrive.

Field-grown, 2-yr. plants. **Per 10, 30c each;
per 50, 20c each; per 100, 15c each.**

EUONYMUS COLORATUS, PURPLE-LEAVED WINTERCREEPER.

Particularly attractive in fall and winter when its foliage turns a dark purplish red. Very useful for covering low walls, rock gardens and as a ground cover.

12 to 15 inches. **\$1.75 each.**

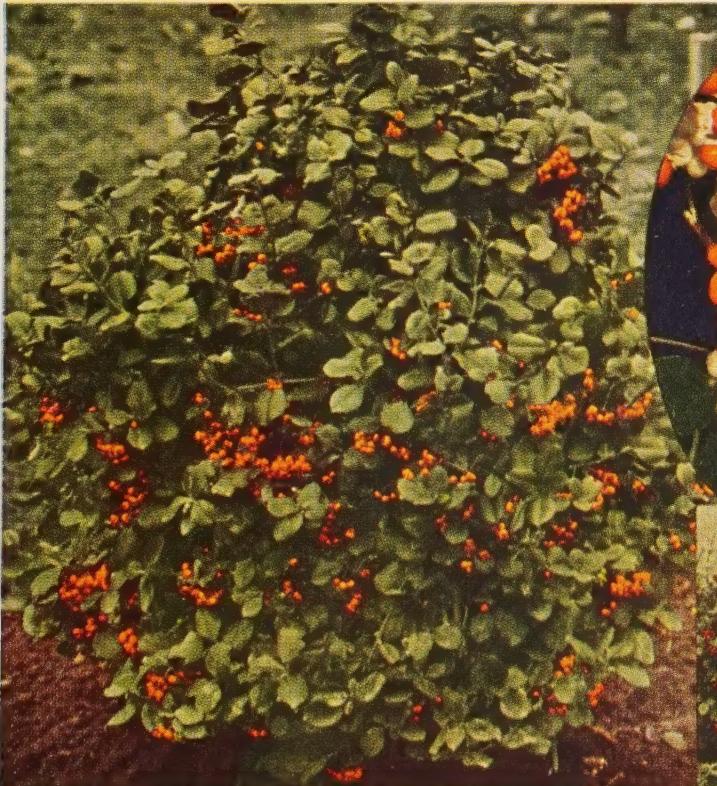

(Balled and Burlapped—add 50c per plant.)

EUONYMUS RADICANS VEGETUS, BIGLEAF WINTERCREEPER.

A very striking variety of Euonymus with large leaves. As shown below it can be trained to climb, as a hedge, and as a specimen shrub. Most popular as a landscape item.

12 to 15 inches, **\$2.25 each.**

(Balled and Burlapped, add 50c.)

Euonymus Vegetus

BALTIC IVY. The hardiest of the English types of Ivy. It will climb any rough surface and is almost completely evergreen. Prefers shade as a climber or ground cover.

No. 1 extra strong plants.
\$1.50 each.

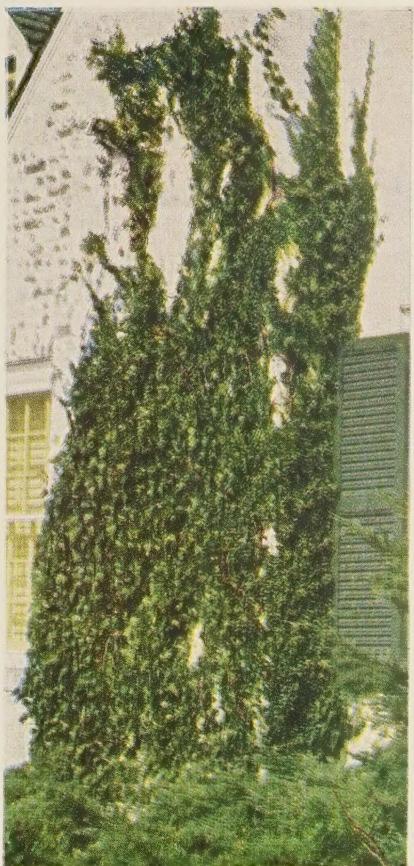

**PACHYSANDRA—
JAPANESE SPURGE.**

Very useful as an evergreen ground cover in shrub borders, foundation plantings, rock gardens and on banks. In spring it sends up attractive terminal spikes of white blooms.

Field-grown, 2-yr. plants.

**Per 10, 35c each;
per 50, 25c each;
per 100, 18c each.**

Ilgenfritz Patented

Universally beloved for cutting, for fragrance, and for color. Our vast collection of all types of Roses can satisfy the most exacting tastes! No garden is complete without their charm and exquisite range of color.

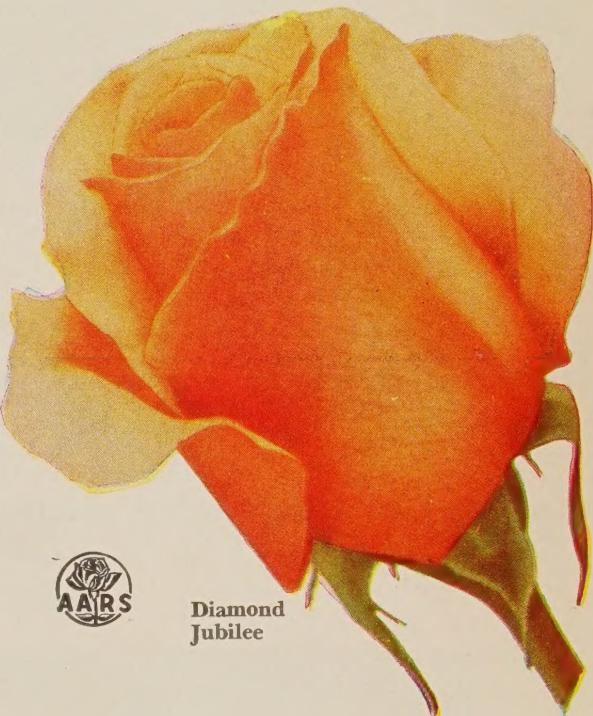

Mirandy

ECLIPSE. (Plant Pat. 172.) This is one of the finest all-purpose yellow roses for all parts of the country. It produces a succession of very long tapering 2-inch buds on long stems that are ideal for cutting. These buds open to gorgeous 3- or 4-inch blooms.

\$2.00 each; 3 or more, \$1.75 each.

Diamond Jubilee

DIAMOND JUBILEE. (Plant Pat. 824.) The tremendous blooms of this buff-orange rose will be a delight in your garden. Of stately form and strong vigorous growth, it is the perfect rose of its color.

\$2.10 each; 3 or more, \$2.00 each.

Charlotte Armstrong

LOWELL THOMAS. (Plant Pat. 595.) The only yellow Rose to be chosen as one of the best all-time American Roses in 1951, Lowell Thomas is a big robust plant that thrives in all areas. It bears large but graceful flowers of clear yellow.

\$2.10 each; 3 or more, \$2.00 each.

MISSION BELLS. (Plant Pat. 923.) This new glowing salmon-pink Rose attracted much attention in our gardens last year. Its pointed buds open to high centered 5-inch, 40-petaled blooms.

\$2.35 each; 3 or more, \$2.25 each.

CHARLOTTE ARMSTRONG. (Plant Pat. 455.) One of the leading Roses of all time, Charlotte Armstrong was chosen for an AARS award in 1941 and again in 1951 as one of the top ten Roses. Its long slender cerise buds and wonderful open flowers are popular the country over. The plant is a tall grower which develops long-stemmed blooms ideal for cutting.

\$2.10 each; 3 or more, \$2.00 each.

Roses for '52

PEACE. (Plant Pat. 591.) An amazing Rose, Peace is undoubtedly the most outstanding Rose yet introduced. It has an astounding combination of good qualities—huge perfectly formed buds and flowers, large sturdy plant, splendid coloring, and long stems. The buds are a golden yellow flushed pink while the open bloom combines shades of yellow, cream, gold, ivory and pink.

\$2.50 each; 3 or more, \$2.35 each.

RUBAIYAT. (Plant Pat. 758.) Here is a brilliant cerise rose that sends out a profusion of long graceful buds throughout the summer. Its large flowers open slowly on long, upright stems. The plant is of tremendous vigor and is disease resistant.

\$1.85 each; 3 or more, \$1.75 each.

CAPISTRANO. (Plant Pat. 922.) A magnificent new pink Rose which won All-America honors in 1950. Its glowing pink buds do not fade as they open into very lovely full blooms. Not only is it a sturdy grower that will reach 4 feet tall, but it has a fine leathery foliage.

\$2.35 each; 3 or more, \$2.25 each.

NEW YORKER. (Plant Pat. 823.) If you want a tremendous dark red Rose, New Yorker should be in your garden. It is magnificent both in bud and in full bloom. Growing to about 3 feet, the bush is hardy, vigorous and disease resistant.

\$2.10 each; 3 or more, \$2.00 each.

SAN GABRIEL. (Plant Pat. 860.) Beautiful long pointed buds of glowing salmon with a heavy overlay of tangerine-orange. A sturdy grower with fine foliage.

\$2.00 each; 3 or more, \$1.85 each.

Crimson
Glory

CRIMSON GLORY. (Plant Pat. 105.) Many gardeners place this Rose at the top of the red Rose group. Its very striking flowers are velvety crimson with black and maroon shadings. Though the plant is of low spreading growth, it produces a succession of richly fragrant blooms.

\$1.85 each; 3 or more, \$1.75 each.

SUTTER'S GOLD.

(Plant Pat. 885.) A brilliant new golden yellow Rose which is shaded coppery orange. Its long, perfectly shaped buds on long stems are wonderful for cutting. This splendid Rose which has won three international awards, blooms and blooms throughout the year.

\$2.50 each.

Shades of Autumn

Nocturne

NOCTURNE. (Plant Pat. 713.)

One glimpse of its long streamlined buds always arouses enthusiasm. Having been chosen as one of the top ten Roses in 1951, indicates this to be one of the best dark red Roses. **\$1.85 each; 3 or more, \$1.75 each.**

SUB-ZERO ROSES

For those who live in colder areas, here is a new race of Roses with a hardiness to cold previously unknown. They are not only easier to grow but they will outlive ordinary hybrid Tea Roses, yet they give the same beauty of bloom.

SHADES OF AUTUMN. (Brownell.) A joyous and abundant expression of bi-colored beauty. It combines shades of red, yellow and blush.

CURLY PINK. (Plant Pat. 842.) Matchless as a combination of size, form of bloom, beauty of cluster, continuous bloom, vigor and hardiness. It is a two-toned pink ideal for cutting.

LILY PONS. (Brownell.) Large graceful flowers that are white with a pure yellow center.

Sub-Zero Prices: \$2.00 each; 3 or more, \$1.85 each.

Igenfritz Flowering Shrubs For a Background of Beauty!

Make these the key points of your landscape planning! Flowering shrubs require little care, yet repay you with glorious blossoms year after year.

BARBERRY—GREENLEAF. *Berberis thunbergi*. Rich green foliage, dense habit of growth, beautiful coloring and berries in fall, make this a wonderful shrub for in front of other shrubs, around corners, porches and foundations. Extra hardiness makes it a very popular hedge plant. Grows in full sun or part shade.

15 to 18 inches high.

**1 to 10 plants, 75c each; 11 to 30 plants, 70c each;
31 plants or over, 65c each.**

Redleaf Barberry

BARBERRY—REDLEAF. Dazzling fire-red foliage throughout the season makes this America's most popular red leaf shrub.

15 to 18 inch plants.

\$1.25 each; 3 for \$3.50.

Deutzia—Pride of Rochester

DEUTZIA—PRIDE OF ROCHESTER. A wide spreading shrub of amazingly rapid growth, this widely planted variety bears showy clusters of pinkish white bell-shaped flowers. An excellent tall specimen shrub or very good for screening purposes.

**2 to 3 ft., \$1.75 each; 3 for \$4.75. 3 to 4 ft., \$2.50 each; 3 for \$7.00.

Try These Shrubs for a Succession of Color

Buddleia,
Dubonnet

BUDDLEIA— BUTTERFLY BUSH.

Often called Summer Lilacs, these shrubs come into bloom when others have finished, and continue till frost. Their long spikes make excellent cut flowers.

DUBONNET. Wine-red.

ILE DE FRANCE. Deep violet.
No. 1 plants.

\$1.75 each; 3 for \$4.75.

ALTHEA—ROSE OF SHARON. Hibiscus syriacus. One of the few shrubs that produces an abundance of color from August on. Growing from 10 to 12 feet tall, it produces numerous large hollyhock-like blooms. Excellent as a large specimen shrub or for background and screening purposes. Available in Pink, Red, Purple, and White. (Please specify color.)

2 to 3 ft. \$1.60 each; 3 for \$4.50.

3 to 4 ft. \$2.00 each; 3 for \$5.50.

Four different colors. 2 to 3 ft. All four for \$5.75.

Hibiscus
Althea or Rose of Sharon

MOCKORANGE—PHILADELPHUS. Sometimes called Syringa, all varieties give marvelous displays of orange-like blossoms that are usually fragrant.

VIRGINAL MOCKORANGE. A hybrid form which produces many large fragrant semi-double blooms in June. New blossoms appear on new growth periodically till fall. Grows 6 to 8 ft. tall.

**1½ to 2 ft. \$1.75 each; 3 for \$4.75.
2 to 3 ft. \$2.20 each; 3 for \$6.00.**

MINNESOTA SNOWFLAKE. A very recent introduction which is similar to the Virginal variety, but its blooms are completely double. It is very hardy, heavy blooming and has good growth habits.

3 to 4 ft. \$3.25 each; 3 for \$9.00.

MOCKORANGE, SYBIL. A beautiful double sweet-scented form that has superior foliage. Heavy blooming.

3 to 4 ft. \$3.00 each; 3 or more, \$2.75 each.

Virginal Mockorange

PINK SPIREA—SPIREA ANTHONY WATERER. Beautiful low growing form of Spirea. Produces brilliant clusters of rosy red flowers 3 inches across late in spring. These continue throughout the summer.

1½ to 2 ft. \$1.50 each; 3 for \$4.25.

Have Cut Flowers, Too!

Ilgenfritz Vines for '52

CLEMATIS

One of our most charming and colorful vines because of its long and heavy bloom. In the large-flowered varieties, this year we are offering particularly large 2-year-old plants imported from Holland that are much superior to those normally sold.

CLEMATIS, JACKMANI. A very large-flowered violet-purple that blooms from July to September.

CLEMATIS, VILLE DE LYON. Beautiful large red that blooms all summer.

CLEMATIS HENRYI. Dazzling large white flowers.

No. 1, 2-yr. plants.
All above varieties:

**\$4.75 each;
3 for \$13.75.**

SWEET AUTUMN CLEMATIS. A very rapid growing fragrant autumn-flowering type that bears a profusion of white star-shaped blooms.

No. 1, field-grown.

**\$1.50 each;
3 for \$4.25.**

GOLDFLAME HONEYSUCKLE. An outstanding new everblooming type that produces dazzling red and gold fragrant blooms.

No. 1, extra strong plants.

\$1.75 each.

HALL'S JAPANESE HONEYSUCKLE. This splendid vine or ground cover bears very fragrant creamy white blooms. Its leaves remain on the vines so well that it could almost be called evergreen.

No. 1, field-grown plants.
**\$1.00 each;
25 plants or over,
75c each.**

SILVERLACE VINE. The fastest growing of the hardy vines. From mid-summer till fall, it is covered with feathery white flowers. (Not pictured.)

No. 1, field-grown plants.
**\$1.50 each;
3 for \$4.25.**

WISTARIA. Everyone admires these fast growing vines with their beautiful feathery foliage and their large hanging clusters of bloom. They will grow anywhere where there is support. Available in PURPLE and PINK.

No. 1, field-grown plants.
\$2.50 each.

Igenfritz Shade Trees

NORWAY MAPLE. One of the best and most highly recommended shade trees for street and general use. It makes a handsome tree with a dense rounded head that grows 60 to 75 ft. high.

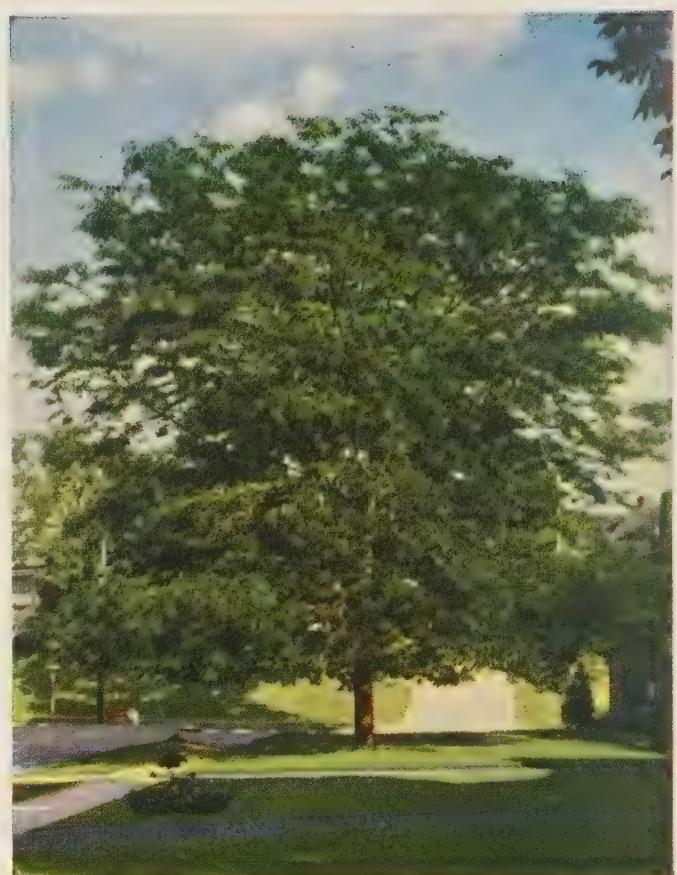

6 to 8 ft., **\$7.50 each**; 8 to 10 ft., **\$9.75 each**.

Your investment in enduring beauty! Plant long-lived shade trees to increase the value of your property and to emphasize the charm of your home and garden.

Moraine Locust

MORAIN LOCUST. A new patented, rapid growing form of Locust that is becoming very popular because of its lack of thorns and seed pods. Graceful feathery foliage.
5 to 6 ft. trees. **\$6.00 each.**

Norway Maple

THORNLESS HONEYLOCUST. Its large picturesque head and its graceful feathery foliage make this an excellent thornless form of Locust. Similar to Moraine Locust shown here.

6 to 8 ft., **\$7.00 each**; 8 to 10 ft., **\$9.75 each**.

CHINESE ELM. One of the fastest growing of all trees, Chinese Elms will give quick shade and serve very well also for screening and windbreak purposes.

6 to 8 ft. **\$3.00 each.**
8 to 10 ft. **\$5.50 each.**

AMERICAN ELM. Our most dignified and stately native tree. It grows to be a tremendous tree with tall arching branches.

Large 10 to 12 ft. trees (1 1/4 to 1 1/2 in. diameter).
\$8.75 each.

SCHWEDLER MAPLE. No other tree can equal its splash of red coloring in spring. Its brilliant red leaves turn to a bronzy green in summer and golden yellow in fall. It is a magnificent ornamental shade tree. (Pictured here.)

6 to 8 ft. **\$10.50 each.**
8 to 10 ft. **\$12.50 each.**

SUGAR MAPLE. An excellent shade tree of grand proportions with wonderful fall foliage.

6 to 8 ft. **\$7.50 each.**
8 to 10 ft. **\$9.75 each.**

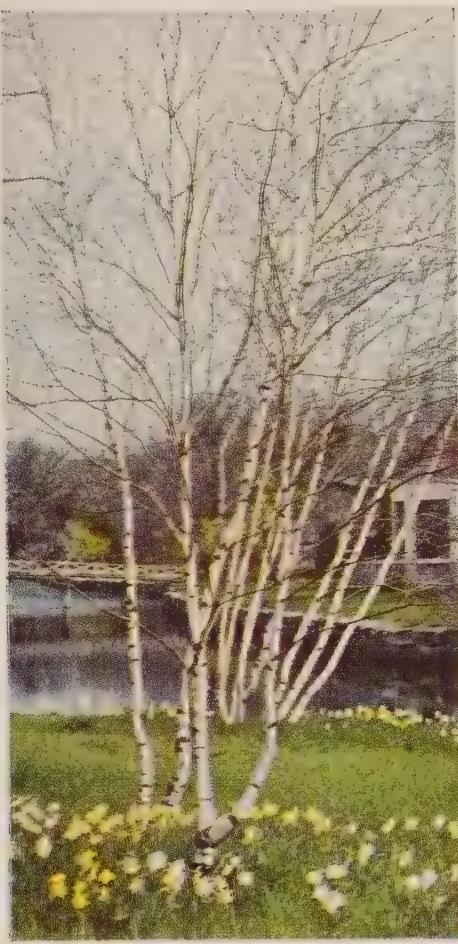

SILVER MAPLE. As the fastest growing Maple, the Silver Maple develops a large spreading head reaching 75 to 100 ft. high. It has distinctive silvery leaves and bark.

6 to 8 ft., **\$4.50 each**; 8 to 10 ft., **\$6.00 each.**

Schwedler Maple

Chinese Elm

Paper-White Birch

Hawthorn family. It produces masses of double scarlet blooms in spring followed by showy red fruit in fall. Grows 15 to 20 ft. high.

5 to 6 ft. \$9.75 each.

PAUL'S SCARLET HAWTHORN.

This is the showiest and most popular form of the large

FLOWERING PEACH. The large double flowers of the Flowering Peach are among the most showy of the ornamental trees. It is just the tree for that garden spot where a delightful, colorful accent is needed. Available in PINK, RED and WHITE. (Please specify.)

3 to 4 ft. \$2.75 each.

CUTLEAF WEEPING BIRCH.

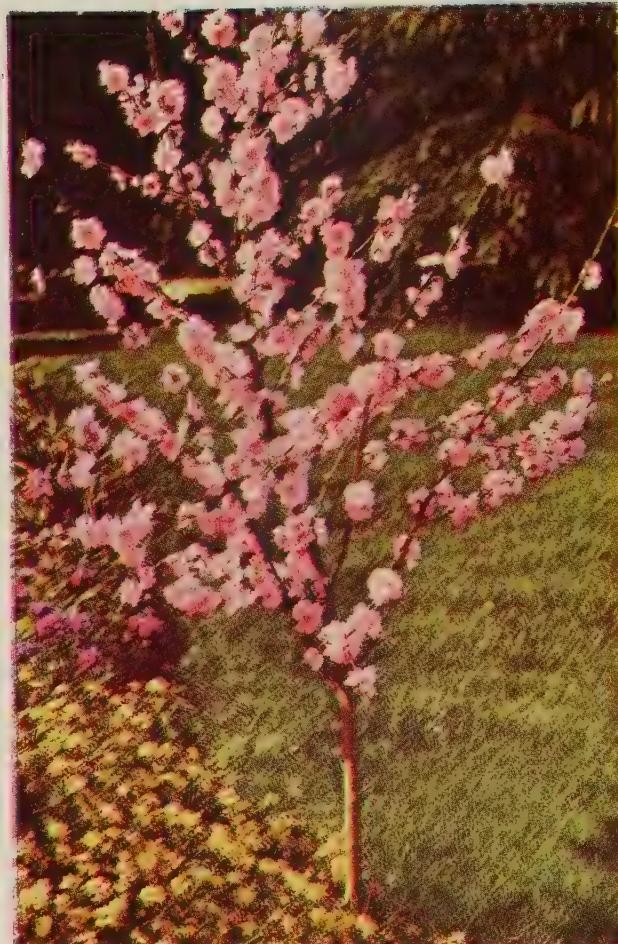

Nothing could provide a more graceful and ornamental accent than this charming white-barked tree. Its deeply cut leaves give a fountain-like appearance to the weeping branches. Its conspicuous white bark (similar to the variety shown) makes it attractive the year round. (Spring only.)

5 to 6 ft. \$6.75 each.
6 to 8 ft. \$8.25 each.

PAPER-WHITE BIRCH

CLUMPS. The creamy white bark of this upright form makes a much sought after landscape item. We offer 3-stemmed clumps balled in peat moss. (For spring only.)

5 to 6 ft. clumps. \$6.75 each.
6 to 7 ft. clumps. \$8.50 each.

Flowering Peach

FLOWERING CHERRY, KWANZAN. A very beautiful double pink variety that is always much admired when in bloom. It is a handsome tree with upright branches, glossy foliage, and a symmetrical head.

4 to 5 ft. \$7.50 each.

Paul's Scarlet Hawthorn

Ilgenfritz Fruit Trees

PAY DIVIDENDS IN BEAUTY AND PLEASURE

Nothing quite equals the thrill of harvesting your own tree-ripened fruit! Ilgenfritz Nurseries have been growing quality fruit trees for discriminating fruit growers for 105 years.

5-IN-1 APPLE. A one-tree orchard which has five outstanding varieties chosen to ripen through the summer and fall season. Ideal for the home owner who wants a variety of fruit in a small space.

2-year trees.
4 to 5 ft. high.
\$3.75 each.

McIntosh
Tolman Sweet
Stayman Winesap
Lodi
Jonathan

WEALTHY. An extremely hardy variety which bears large fruit of wonderful flavor. The color is light yellow overlaid with red. Vigorous, heavy bearing tree.

Large 2-year trees, 5 to 7 ft.
\$2.50 each; 3 for \$6.75.

JONATHAN. World famous for its appearance and quality. Highly valued as an eating Apple and for cooking, it is good from November till January.

Large 2-year trees, 5 to 7 ft.
\$2.50 each; 3 for \$6.75.

Grimes Golden

GRIMES GOLDEN. An excellent large round yellow Apple. A crisp, mild, juicy Apple that is good from November till January.

Large 2-yr. trees, 5 to 7 ft.
**\$2.50 each;
3 for \$6.75.**

DWARF APPLE TREES. The answer to the small home owner's dream.

- Require little space.
- Easy to care for.
- Bear much younger.
- Apples identical to standard varieties.

Available in Cortland, Snow Apple, Red Delicious, Kirby Delicious, Lodi, McIntosh, Red Spy, Tolman Sweet.

1-year trees: 2 to 5 ft.
**\$2.75 each;
3 for \$7.50.**

Jonathan

Kirby
Red
Delicious

KIRBY RED DELICIOUS. This is an improved form of the popular Red Delicious. It has better coloring and tree habits. Highly flavored, it retains its quality well into winter. Large 2-year trees, 5 to 7 ft.

\$2.50 each; 3 for \$6.75.

CORTLAND. A very fine improved form of McIntosh. The fruit is larger and has better coloring. Excellent red Apple that is splendid for cooking or eating.

Large 2-year trees, 5 to 7 ft.
\$2.50 each; 3 for \$6.75.

Ilgenfritz Fruit Trees

Write our head office or inquire from our branches about our many additional varieties.

J. H. Hale

Rio Oso Gem

- ELBERTA.** The most widely planted of all Peaches, it is adaptable to a wide range of soils and climates. The tree is vigorous and heavy bearing. It is yellow fleshed and freestone, ripens in mid-September.
- FAIRHAVEN.** A large, highly colored freestone Peach that is wonderful for freezing. Ripens August 15th to 20th.
- RIO OSO GEM.** A new yellow freestone which bears large highly colored firm-fleshed fruit about September 20th.

PEACH TREES

- J. H. HALE.** This is a tremendous yellow freestone that ripens just before Elberta.

Peach Tree Prices: Extra large, 1-yr. trees, 5 ft. and up, $\frac{3}{4}$ -inch diam., **\$2.50 each; 5 trees or more, \$2.00 each.** Large 1-yr. trees, 4 ft. and up, $\frac{11}{16}$ -inch diam., **\$2.00 each; 5 trees or more, \$1.75 each.**

PEAR TREES

- BARTLETT.** A large, juicy, fine-flavored Pear that is popular both in the home garden and the orchard. A heavy producer, it ripens in September.
- CLAPPS FAVORITE.** Here is an old favorite Pear that is large in size, rich and juicy, and firm fleshed. Very hardy. Ripens in August before Bartlett.
- CAMPAS.** This is a new winter Pear which is an improved Kieffer. It is blight-resistant, a good keeper and a good canner. Prolific bearer of large fruit.

Pear Tree Prices: Large 2-yr. trees, 5 to 7 ft., $\frac{3}{4}$ -inch diam., **\$2.50 each; 3 for \$7.00.**

DWARF PEAR TREES

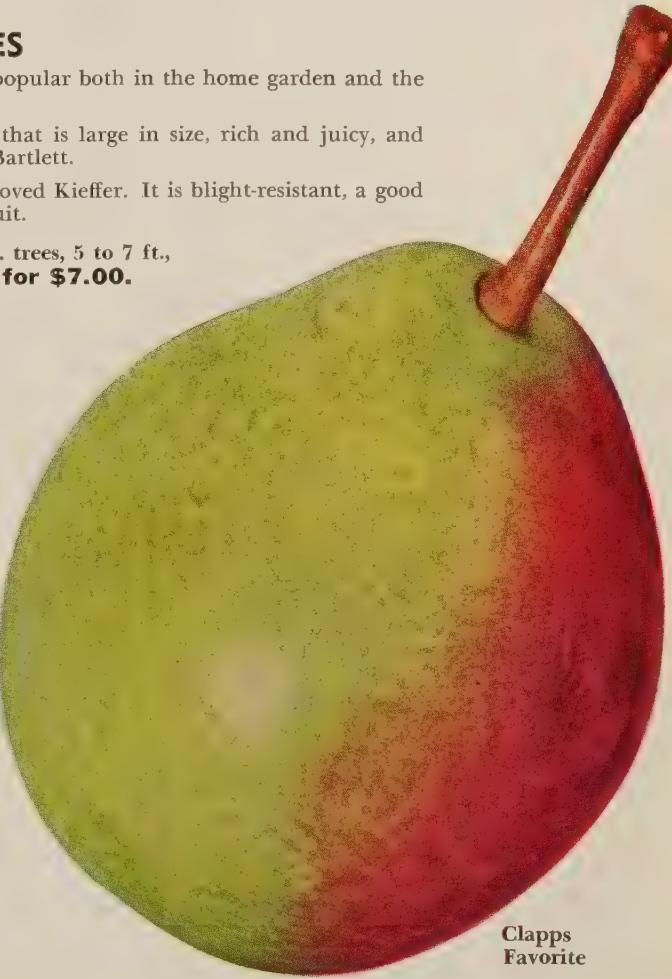

Save space, have more varieties and do all your work from the ground. Trees bear much younger. Available in BARTLETT, CLAPPS FAVORITE and FLEMISH BEAUTY.

2-yr. trees, 3 to 5 ft. high, **\$3.25 each.**

Bartlett

Clapp's
Favorite

CHERRY TREES

Montmorency

MONTMORENCY CHERRY. Universal favorite for those who like Cherry pies. The fruit is large, attractive and of the best quality. The tree is very hardy, bears young and heavily. 1-yr. trees, 3- ft. and up, **\$2.10 each; 5 or more, \$1.75 each.**

Napoleon

SWEET CHERRY TREES

SCHMIDTS. Remarkably hardy and productive, bearing dark red fruit of the largest size. Fruit is firm, juicy and sweet. It ripens in July, just before Windsor. Good pollinator for other Sweet Cherries.

WINDSOR. A hardy large dark red Cherry which bears heavily and keeps well. It prolongs the Cherry season in July.

NAPOLEON, ROYAL ANN. A wonderful giant yellow Cherry with a red cheek. Fruit excellent for eating and canning. Ripens late June.

Prices for All Sweet Cherry Trees: 2-yr. trees, 5 ft. and up, 11/16 in. diameter, **\$2.75 each; 5 or more, \$2.50 each.** 2-yr. trees, 4 ft. and up, 9/16 diameter, **\$2.50 each; 5 or more, \$2.25 each.**

PLUMS

STANLEY PRUNE. Considered by agricultural authorities to be the best of all blue Prune types. The fruit is a large freestone, rich in flavor and excellent for cooking or eating. Hardy almost anywhere in the United States.

Stanley

Yellow Egg

YELLOW EGG PLUM. Very large, golden yellow Plum that ripens late and is freestone. Excellent for canning.

GREEN GAGE. An old favorite which surpasses in quality and flavor nearly all other varieties.

Burbank
